

## 20-Port USB-C Charging Station

### The Intelligent Charger Controlled by an App Smart System

- **20 Ports for More Devices:** Take your work efficiency to the next level. Our 1000W USB C charger supplies up to 1000W of power, and charges 10 sets 100W MacBooks or 16 sets 60W chromebooks or tablets or mobile phones simultaneously.
- **Controlled by an Intelligent App System:** This charger features a timer switch. It can be set to turn on and off during off-peak hours, saving you money, improving energy efficiency, and promoting carbon neutrality.
- **Wide Compatibility:** USB charging station fast charging to virtually all USB-C and devices, from phones and tablets to laptops and more.
- **Efficient Energy Conversion:** The intelligent Power Allocation Solution increases the power conversion rate to 95%, provides industry leading efficiency to avoid wasting energy.

### Redefining the Smart Charging Lifestyle: The 'innovatecharger App' Officially Launches!
